

AFTERBURNER BIERSCHNAPPS

Price: \$24.95 (375 ml)

Batch Number: 1

Alcohol: 101 proof / 50.5% abv

Grain Bill: 100% Barley: 2-row malt base with Munich, C-60 (roasted), and De-bittered black used for flavoring. Centennial and Williamette hops added to beer for hop flavor.

Aging: unaged

Distilling Notes: Fully hopped beer distilled as a white whiskey product. Sweet grain notes as well as hop aromas and flavors come through in the final product for a very distinct and complex profile.

Suggested Cocktail Recipe: Beer fans enjoy it straight, with a touch of water, or on the rocks. Good “sidecar” to many craft beers.

Could also be used as a replacement for gin:

Bierschnapps Gimlet
